Letter No.PH.6/48-49, dated 11th July 1948 from the Private Secretary to His Highness regarding the claims of Sri S.N. Kalabhairavan for appointment as Manager of the Private Secretary's Office and the retention of his lien in that office.

1) Sri S.N. Kalabhairavan is a permanent I Division Clerk of the Office of the Private Secretary to His Highness the Maharaja of Mysore

At the instance of the then Private Secretary to His Highness (Sir T. Thumboo Chetty) he was transferred to the General and Revenue Secretariat as an Acting I Division Clerk on his*own grade pay.

"Q"

Sri Kalabhairavan is not yet confirmed in the General and Revenue Secretariat and his permanent lien is still retained in the Private Secretary's Office,

"P"

his name has been included in the Allocation Statement of the Private Secretary's Office and his increment which fell due after his transfer to the Secretariat has been sanctioned by the Private Secretary to His Highness.

"E" & "F"

4) Prior to his transfer to the Secretariat Sri Kalabhairavan was the senior-most clerk next to the Manager in the Private Secretary's office.

5) In February 1948 when orders were issued retiring Mr. C.L. Gabriel, Manager, Private Secretary Office, from service, Sri Kalabhairavan submitted a representation requesting that his claims may be considered in filling up the Manager's post as by virtue of his lien, seniority and other qualifications he was justly entitled to the promotion. Subsequently by the present P.S. to His Highness Mr. C.L. Gabriel was recommended in modification of the previous orders, for another year's extension of service and he has been granted six months' extension of service, which is due to expire on the 12th October 1948.

Note.— Contn. Sheet

It is to this representation that the Private Secretary to His Highness has now replied stating that as Sri Kalabhairavan has been transferred on a permanent basis the question of appointing him as Manager does not arise.

7) It is submitted that this view does not appear to be correct in as much as Sri Kalabhairavan has not been confirmed in the Secretariat and cannot look forward to any promotion in the near future even if he is confirmed as his rank in the Secretariat will be below the last acting I Division Clerk on the date of Sri Kalabhairavan's transfer. Although Sri Kalabhairavan may be eventually absorbed in a permanent vacancy in the Secretariat, he is eligible for the promotion accruing in the normal course in the parent office until he is confirmed in the Secretariat and his rank is fixed. In the circumstances, there seems to be no justification for overlooking the claims of Sri Kalabhairavan in filling up the post of the Manager, Private Secretary's Office, when it falls vacant in due course.

8) Another point raised in the Private Secretary's letter is that there appears to be no need to retain Sri Kalabhairavan's lien in his office as he has been transferred to an existing vacancy in the Secretariat. For the reasons already urged above, it is necessary that Sri Kalabhairavan's lien should be continued to be shown in the Private Secretary's Office until he is confirmed in the Secretariat. The removal of his lien from the Private Secretary's office at this stage after continuing it for more than one and half years after his transfer to the Secretariat would result in depriving him of his just chance of promoti

promotion likely to occur shortly. The Private Secretary's action in issuing an office memo confirming the acting incumbent on his office in place of Sri Kalabhairavan without reference to Government and in contravention of the G.O.No.0.1938-41/0.E.59-46-2 dated 27-11-1946 where the acting incumbent is clearly shown as acting (and not sub pro-tem as stated) and contrary to his own office letter issued one year after Sri Kalabhairavan's transfer to the Secretariat does not appear to be in order.

9) Submitted with connected references and a draft letter to the Private Secretary to His Highness for approval or other orders.

) The above note appears to give the correct position and the draft letter may, perhaps, be approved.

D.O. No. 299/CB dated 21st July 1948.

Sri G.N. Nagaraja Rao, Private Secy to H.H. States that in the circumstances his action in confirming Sri. Madhava Rao as Ag. I Division Clerk of his office from the date of transfer of Sri. Kalabhairavan does not appear to be correct.

D.O. letter No.P.H.6/48-49, dated, 30th July 1948 from the Private Secretary to His Highness the Maharaja of Mysore requesting that, in the circumstances explained Sri Kalabhairavan may be confirmed in the Secretariat with effect from 1st December 1946.

3) It is stated that the arrangement made for confirming Sri G.N. Madhava Rao, Acting I Division Clerk of his office in place of Sri S.N. Kalabhairavan, permanent I Division Clerk of that office, transferred to the Secretariat with effect from 1st December 1946 (which was pointed out to be incorrect) is similar to that made in the case of Sri B. Venkataramia and Mr. P.S. Watsa who were also transferred from the Private Secretary's Office, Mysore, to the General and Revenue Secretariat and in whose places permanent arrangements were made.

14) The case of Sri Kalabhairavan is not, however, analogous to the two cases cited. For one thing, Sri B. Venkataramia was Manager of the Private Secretary's Office and when he was transferred to the Secretariat as Acting Superintendent, Mr. C.L. Gabriel Superintendent, General and Revenue Secretariat was transferred as Manager of the Private Secretary's Office in his place. The question relating to Sri B. Venkataramaiya's lien has still not been decided yet, and the matter is now before the Chief Secretary awaiting orders. It may be stated here that while the Private Secretary says that the lien of Sri B. Venkataramia has not been retained in his office, the lien of Mr. C.L. Gabriel is still retained in the General and Revenue Secretariat. The matter thus requires to be regularised.

15) The case of Mr. P.S. Watsa is also on a different footing. He was a permanent II Division Clerk of the Private Secretary's Office, and on his return from

from War Service, he was posted to the Secretariat against an existing vacancy in the Second Division and was apparently confirmed in the Secretariat before his lien was removed from the Private Secretary's Office.

(5) The two cases referred to above do not, in any case seem to have any practical bearing on the issue in question in this file, namely, the retention of Sri Kalabhairavan's lien in the Private Secretary's Office until he is confirmed in the Secretariat. His lien was allowed to remain in that office for 19 months after his transfer to the Secretariat, all of a sudden, without prior consultation with or intimation to this office, the person acting in Sri Kalabhairavan's place has been confirmed on 11-7-1948 from a retrospective date, i.e., 1-12-1946. The Private Secretary suggests that this arrangement may be accepted and arrangements made to confirm Sri Kalabhairavan in the Secretariat from the date of his transfer to the Secretariat ~~from the date of his transfer to the Secretariat~~. From an accounts point of view, such an arrangement does not appear to be practicable especially as it was well-understood and confirmed in writing that Sri Kalabhairavan's permanent lien was retained in the Private Secretary's office. There are also one or two practical difficulties in accepting the Private Secretary's suggestion that Sri Kalabhairavan may be confirmed in the Secretariat from the date of his transfer to the Secretariat. In the first place, he has yet to pass the Office Manual Examination before he can be confirmed. No Examination has been held after his entry into the Secretariat and it will take some time before one is held. In the circumstances, Sri Kalabhairavan's confirmation in the General and Revenue Secretariat will take some more time.

(a) At the same time. Sri Kalabhairavan's confirmation from a retrospective date will affect his prospects adversely and would deprive him of his chance of promotion occurring in the Private Secretary's Office in another two months' time. Being the senior-most official he is eligible in the normal course for promotion as of the Private Secretary's Office when that post falls vacant by the retirement of Mr. C.L. Gabriel in October next. As Sri Kalabhairavan is well-qualified, is doing his work satisfactorily and has put in more than 14 years of service, the denial of this promotion would be very hard on him. He cannot look forward to a similar promotion in the Secretariat for several years to come as his rank, even if he is confirmed in the Secretariat will be very low amongst I Division clerks

Manager of the Private Secretary's Office

(b) In the circumstances, the Private Secretary may be informed, if approved, that there are practical difficulties in confirming Sri Kalabhairavan in the Secretariat with effect from 1-12-1946 as suggested, and that while the question of his confirmation in the Secretariat will be taken up as soon as possible after the Office Manual Examination is held in the near future, his lien should be continued to be retained in the Private Secretary's Office as hitherto for some more time and that he would have to be seconded in any promotional vacancy that might occur in that office until he is confirmed and his lien is shifted to the Secretariat.

he will be very low amongst Asst Dy Clerks. and he may perhaps have to wait long to get this promotion in the Secrt. As it is stated that he is the senior-most official of the Pri. Secy's office and eligible for promotion in the normal Course as the Manager of the Pri Secy. office which carries the grade than of Rs 200-10-300, same as that of a Supdt. in the Secrt. when that post falls vacant by the retirement of Sri C.K. Gabril he will be hit hard in case this promotion is denied to him. It is, therefore, a point for consideration if Sri Kalabhairavan's ban may not be removed ... retained in the Pri. Secy's office and allowed the benefit of promotion in any Ministerial vacancy in that office.

1/

Sd/ A - May be done. It would be unduly hard on Sri Kalabhairavan if after retaining his lien in the Private Secretary's Office so far, this lien is removed from there on the eve of his getting a promotion there as Manager. Another matter to be considered in this connection is that Sri Kalabhairavan is now ... for a Confirmation in the Secretariat and much less for a promotion as he has not put

qualified himself by passing the Office Manual examination. Thus, it will hit the Official doubly if he were to be retained here and his lien is also removed in the Private Secretary's Office. If the Private Secretary were to express objection to the retention of the Official's lien here as he is not working here, it may perhaps be intimated to him that Sri Kalabhairavan will be sent back to his Office

Respectfully Submitted.

I beg leave to submit the following representation for kind consideration.

I am a permanent I Division Clerk borne on the Establishment of the Office of the Private Secretary to His Highness the Maharaja in Mysore am was transferred in December 1946 to the General and Revenue Secretariat on my own grade pay. My permanent lien is still retained in the Private Secretary's Office, and prior to my transfer to Bangalore, I was the Seniormost Clerk in that office next to the Manager.

I am given to understand that Mr. C.L. Gabriel, the present Manager of the Private Secretary's Office has been ordered to be retired from service on the expiry of his present term of extension in April 1948. As I am the Seniormost Clerk eligible for the Manager's post, when it falls vacant, I would humbly request that, in filling up that post, my claims may be kindly considered.

While there is no doubt about my lien or my seniority, I would venture to state one or two other facts in support of my request for promotion.

I am a B.A.,(Hons) in English Language and Literature, was a Merit Scholar in that subject for some time in the University and have passed the tests prescribed for Amildari Service - some of them with distinction. I was one of the candidates for the Mysore Civil Service Examination held in 1936, and although I did

not secure the first or the second rank, I was among the first twelve candidates in one of the keenest competitions held for that Examination.

I joined Palace service in 1934 and held a record of uniform good work marked by thoroughness, promptitude & conscientiousness both in the Palace Office and the Private Secretary's Office in various capacities during the twelve years I served in these offices. In the course of my fairly long and faithful service, I have been associated with work of every kind in the Palace Camps, Ceremonial functions, Entertainment of Guests, Foreign Orders and numerous other matters, and I would venture to hope that this previous experience and knowledge of Palace administration may be found to be useful again in the new oppc... ...y for work that I am seeking. At the same time, while working directly under Sir Charles Todhunter for nearly seven years, I have been connected with work of different kinds also, namely, confidential work, committee work, pamphlet writing, editing and indexing of speeches and small publications and drafting ... every kind. I have every reason to believe that my work was always recognized to be far above the average standard by those whom it was my privilege to serve

Since my transfer to the Secretariat, I have worked in the Office Branch and the Confidential Branch directly under the Chief Secretary and would leave it to him to say whether on the merit of my work I am deserving of the promotion I am seeking or not.

I humbly trust that it is not unreasonable at the end of fourteen years of efficient service and hard work

to ask for this small advancement in my career to which I am eligible in the normal course of events. I would reiterate that by virtue of my lien, seniority, qualifications, I am justly entitled to be considered for promotion.

I should be most grateful if, in consideration of the facts I have stated my request for promotion as Manager, Private Secretary's Office, when that post falls vacant, could be favourably considered and that my representation in this behalf could be kindly forwarded with the Chief Secretary's support for favourable consideration by the Private Secretary to His Highness the Maharaja.

16th February, 1948.

I am desired to forward herewith, for favourable consideration, a representation submitted by Mr. S.N.Kalabhairavan, permanent I Division clerk of your office on other duty at the General and Revenue Secretariat requesting that his claims may be considered in filling up the post of the Manager of your office when it falls vacant in April 1948 due to the retirement of Mr. C.L.Gabriel. As you will see from his representation, he is the next man in the order of seniority to be promoted to the Manager's post. Since his transfer to the Secretariat in December 1946, he has worked directly under me in the Office Branch and the Confidential Branch. His work has been thoroughly satisfactory and has always been marked by careful study, intelligent understanding and promptitude. His character and conduct are excellent.

In the circumstances, he fully deserves to be promoted in the vacancy which would occur by reason of the retirement of Mr.Gabriel in April.

Yours.

Dear Sri Vedavyasacharya,

With reference to your D.O. letter No.7203/CS, dated the 16th February 1948, recommending that Sri Kalabhairavan of your Office may be taken as Manager of the Private Secretary's Office with the vacancy that may arise by the retirement of Mr.C.L.Gabriel, I am directed to say that as Sri Kalabhairavan has been transferred to the Secretariat on a permanent basis the question of appointing him as Manager does not arise.

2. With further reference to your official memorandum No.0.6630-1/0.E.68-47-4, dated the 24th June 1948, I write to invite your kind reference to this Office letter No.P.H.130/45-46, dated 22nd November 1946 stating that Sri Kalabhairavan is transferred to the vacancy already kept open in the Secretariat (vide your letter No.0.1957, dated 4th December 1945) and that he may kindly be absorbed in any existing vacancy in the 1st Division and your reply, Office Memorandum No.0.2003-4/0E.3-46-59, dated 4th December 1946, stating that he has been transferred to an existing vacancy in the Secretariat. In these circumstances there appears to be no need to retain Sri Kalabhairavan's lien in this Office.

(Dear Sri Nagaraja Rao.)

With reference to your letter No.PH.6/48-49, dated the 11th July 1948, regarding Sri S.N. Kalabhairavan, permanent I Division Clerk of your office on other duty as acting I Division Clerk in the General and Revenue Secretariat, I am desired to state that while it is evident from the references quoted by you that Sri Kalabhairavan may be eventually absorbed in a permanent vacancy in the Secretariat the present position is that he has not been confirmed yet in the Secretariat and that therefore his permanent lien should be continued to be shown in your office as hitherto until he is confirmed here. I am to point out that this position has been clearly recognized not only in G.O. No 0.1950-41/O.E.59-46-2 dated 27th December 1946 transferring Sri Kalabhairavan as Acting I Division Clerk to the Secretariat and promoting Sri G.N. Madhava Rao as Acting I Division Clerk in his place but also in your office letter No.Ac. 170-29/46-47 dated 5th December 1947 (copy enclosed for ready reference), that is, one year after Sri Kalabhairavan's transfer to the Secretariat I am to add that it is for these reasons that Sri Kalabhairavan's increment is being sanctioned by your office even after his transfer to the Secretariat and his name is included in the Allocation Statement of your office In the circumstances, I am to say that your Memo No.PH.6/48-49, dated 11th July 1948 confirming Sri Madhava Rao, Acting I Division Clerk of your office from the date of transfer of Sri Kalabhairavan to the General and Revenue Secretariat ~~is not in order~~ does not appear to be correct.

P.T.O.

As regards Sri Kalyanaravan's claim for appointment as Manager of your office when that post falls vacant in due course, I am to explain that under the rules he is eligible for promotion accruing in the normal course in your office until he is confirmed in the Secretariat and his lien is shifted from your office to the Secretariat.

Dated Bangalore, 20th July 1948.

2187-

Dear Sri Nagaraja Rao,

With reference to your letter No.PH.6/48-49 dated the 11th July 1948, regarding Sri S.N. Kalabhairavan, permanent I Division Clerk of your office on other duty as acting I Division Clerk in the General and Revenue Secretariat, I am directed to state that while it is evident from the references quoted by you that Sri Kalabhairavan may be eventually absorbed in a permanent vacancy in the Secretariat the present position is that he has not been confirmed yet in the Secretariat and that therefore his permanent lien should be continued to be shown in your office as hitherto until he is confirmed here. I am to point out that this position has been clearly recognized not only in G.O. No.0.1938-41/0.E. 59-46-2 dated 27th December 1945 transferring Sri Kalabhairavan as Acting I Division Clerk to the Secretariat and posting Sri G.N. Madhava Rao as acting I Division Clerk in his place but also in your office letter No.Ac.176-29/46-47 dated 8th December 1947(copy enclosed for ready reference), that is, a year after Sri Kalabhairavan's transfer to the Secretariat. I am to add that it is for these reasons that Sri Kalabhairavan increment is being sanctioned by your office even after his transfer to the Secretariat and his name is included in the Allocation Statement of your office. In the circumstances, am to say that your Memo No.PH.6/48-49. dated 11th July 1948 confirming Sri Madhava Rao, acting I Division Clerk of your office from the date of transfer of Sri Kalabhairavan to the General and Revenue Secretariat does not appear to be correct

My dear [illegible],

With reference to the correspondence ending with Sri Shamanna's letter No.299/C.B., dated the 21st July 1948, regarding Sri Kalabhairavan, I write to say that the arrangements made in this office are in accordance with similar arrangements made in the past as in the cases of Messrs. B. Venkataramia and P.S. Watsa.

In the case of Sri B. Venkataramia who was transferred to the Secretariat, his lien was not retained here but permanent arrangements were made.

In your letter No.O.1957, dated the 4th December 1945, it was stated that you had kept open two vacancies of clerks in the Secretariat. To one of these vacancies Mr. P.S. Watsa was transferred and Sri M. Madappa, s.p.t. clerk, was confirmed in his appointment from the date of transfer of Mr. P.S. Watsa to the Secretariat, i.e., from the 26th August 1946 and a copy of this memo was forwarded to you for information, as the transfer was regarded as permanent in view of this office letter No.P.H.130/45-46, dated 21-1-1946.

Sri Kalabhairavan was transferred to the second existing vacancy. As his transfer was also regarded as permanent, permanent arrangements were made in this office, after a lapse of 19 months. Regarding his increments being sent here for sanction, I write to point out that in the case of Sri Venkataramia also, this office was consulted regarding sanction to the increments that fell due to him.

22 - (in that enclosing 3 ors.)

If Sri Kalabhairavan has not been confirmed there already, I request that arrangements may kindly be made to confirm him there with effect from 1-12-1946
